

North Coast Fossil Club

“Fossils Are For Everyone”

The North Coast Fossil Club is an active group of fossil collectors and enthusiasts of all ages and backgrounds. The objectives of the NCFC are:

1. To encourage the closer association of persons interested in fossils,
2. To promote the responsible collection, preparation, and study of fossils,
3. And, to foster education in Paleontology, Geology, and related subjects.

The NCFC meets the 3rd Saturday of each month at 10 AM, usually at one of the branches of the Cuyahoga County Public Library, as announced on postcards mailed to members before each meeting. Typical meeting programs include speakers on various aspects of Paleontology or Geology, workshops on fossil identification and preparation, and “show & tell” activities. During the collecting season (usually March through October), the NCFC holds a field trip on the 4th weekend of each month. Typically, field trips are day or weekend trips to various parts of Ohio or surrounding states. Occasionally, we venture farther afield. The NCFC also publishes a quarterly newsletter called the “*Fossilphile*” featuring news of recent trips, meetings, display and preparation tips, a calendar of events, and more. We also hold an annual party each January where we display our fossil collections, raffle off door prizes, and enjoy a potluck dinner. If you are interested in joining the NCFC, please complete the membership form below. We hope to see you soon!

North Coast Fossil Club Membership Application

___ Individual \$12.00 ___ Family \$17.00 ___ New ___ Renewal

Name _____ Mr. ___ Mrs. ___ Ms. ___ Miss ___ Dr.
